It's easy to set up your TeamKids account via our website: teamkids.com.au You'll be required to set up an account by clicking the 'Register' button found in the top right-hand corner of the screen. (If you're on an iPhone sometimes this button moves to the bottom of your screen).

When setting up your account we require the following information:

- Centrelink CRN numbers for your family & child(ren)
- Parent/guardians contact details
- Children details, including medical history, diagnosis of allergy, asthma, anaphylaxis, dietary requirements or additional needs. Be prepared to upload any supporting documentation
- Emergency contact details (Both parents if known and a third emergency contact)

We can only accept children that are fully registered with TeamKids and have provided any required additional documents. Once you've set up your account you will be asked to verify your account. Please locate the email and click on the link to verify.

TIP: Forgetting to add payment details and emergency contacts are the most commonly overlooked requirements for activating a TeamKids Account.

HOW MANY CONTACTS DO I NEED ON MY ACCOUNT?

HOW DO I BOOK INTO A DIFFERENT VENUE DURING THE SCHOOL HOLIDAYS?

It is not uncommon for families to use multiple venues during the holidays depending on the proximity of the venue from work and home or based on the experiences the children choose. If you need to add a new venue to your TeamKids account, simply follow these steps:

- Login to your TeamKids booking account
- Click on the 'Update Account Details' button in the top right corner of the Account Details section
- Click the 'Add additional service' tab at the top of the page
- Select the venue you wish to book into and click 'Add to service'
- You'll need to add your payment details for the new venue
- The new venue will now appear in your account as an option when making new bookings.

TIP: Don't forget to see what's happening at other venues nearby, as all our venues run a different program of experiences throughout the holidays.

[Refer to our Guide for Families – How to Book with TeamKids: Step by Step Guide](#)

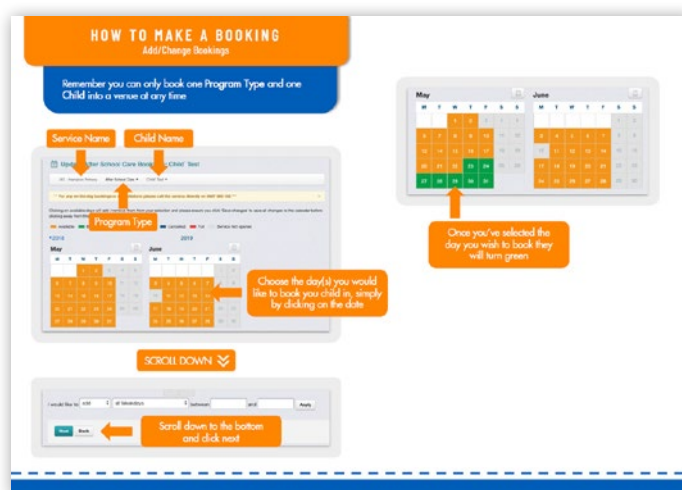

HOW TO I MAKE A BOOKING

If your account is completed, the bookings calendar will appear at the bottom of the page.

- Click on the 'add/change bookings' icon, and on the next page select the venue and the child, then simply click on the days you would like to book.
- Click next button.
- Double check your booking details.
- Click CONFIRM.

TIP: Forgetting to click confirm is frequently overlooked, resulting in the bookings NOT being saved.

[Refer to our Guide for Families – How to Book with TeamKids: Step by Step Guide](#)

WHY CAN'T I MAKE A BOOKING?

If you've logged into your account and are unable to make a booking or cannot see the calendar on the dashboard, this usually is because some critical pieces of information are missing from your account. The four most common omissions are:

- CRN Numbers – Parent and Children
- Contact Details – 2 x Parent and 1 x emergency contact
- Payment Details – If you use multiple TeamKids venues, you need to add payment details against each venue.
- Upload any Medical documents if applicable eg: Asthma Plan or Court Orders

One way to quickly spot if there is information missing is on the dashboard, there will be a notification at the top of the dashboard on your account or you won't be able to view the calendar on the dashboard.

[Refer to our Guide for Families – How to Book with TeamKids: Step by Step Guide](#)

WHY CAN'T I SEE MY BOOKING?

When you've 'successfully made a booking, you will be able to see the booking colour coded green on the calendar found on the dashboard. If the calendar does not have the bookings marked on the calendar in Green, then it typically means that the booking was not CONFIRMED.

Clicking the CONFIRM button can easily be missed if you are in a hurry, so please log back into your account, go through the steps to adding a booking again, and CONFIRM the booking.

You will now receive a notice on your account, and you will ALSO receive an email confirming the bookings. Make sure you have received this email so you can be confident the booking has been made successfully.

[Refer to our Guide for Families – How to Book with TeamKids: Step by Step Guide](#)

CAN I MAKE WEEKLY, TERMLY OR ANNUAL BOOKINGS?

Yes, you can. When making your bookings, after you have selected the venue, child and session, you can scroll down the page to where it says "I would like to" choose from the dropdown box, add in the dates you wish to book, and click apply.

You will see the calendar turn green for the dates you've booked. Click next and confirm the bookings. "Don't forget to confirm your booking"
